Step 7

The camera cuts to a completely different angle, moving from showing the side body panel and wheel arch of a purple vehicle to a close-up view of a Dyson hair dryer's head with its blue filter visible and branding on the side.

Tags: cut, zoom-in

Step 8

The camera cuts from a close-up angled view of the hair dryer's head to a wider shot showing the complete product set including multiple styling attachments, the main device, and packaging laid out horizontally.
